Open Letter to Students and Parents

On behalf of the faculty and staff, we would like to welcome you to the Monmouth County Academy of Law and Public Safety. We sincerely hope that the many experiences you will encounter over your high school career will serve as a pathway to a rewarding future.

The purpose of this handbook is to provide you with a guide to some of the day-to-day operations. The material has been gathered and compiled in the hope that it will serve as a source of useful information for both parents and students in the areas of curriculum, board policy, rules, procedures and co-curricular activities. Students and parents are expected to read through the handbook to acquaint themselves with the running of the school.

The handbook will not answer every question that you may have, nor will it cover every eventuality that may occur. Students and parents are encouraged to call their school to discuss any matter that is not covered in this handbook.

We hope you enjoy success during the school year and we look forward to being of service throughout the year.

ATTENDANCE POLICY

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State. This policy is for the benefit of the pupils, their parent(s) or legal guardian(s), and the community at large.

In accordance with the provisions of N.J.A.C. 6A:16-7.6, a student's absence from school may be excused, unexcused that counts toward truancy, or unexcused that does not count toward truancy.

Pupil participation in all regularly-scheduled classroom learning activities in each area of study is essential in order for each pupil to receive the maximum benefits of a thorough educational program. The entire process of education requires a regular continuity of instruction, classroom participation, learning experiences and study. The regular contact of pupils with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

Career Academy Programs

Definitions

- I. Regular attendance is defined as being present for all classes and activities in the pupil's individually approved instructional program.
- I. Absence from school is defined as non-attendance in regular classes and/or assigned locations for less than four hours of instructional time. Absence from school is either excused or unexcused. Absence from class is defined

as missing a specific scheduled class period (does not include other assigned curricular activities, school sponsored educational activities or external educational activities sanctioned or approved by the building administrator). Pupils with academic problems will be reviewed with building administration.

2. Excused absence - Pupil's absence will be excused only with a properly signed note from the parent(s) or legal guardian(s) stating the reason for the absence and such absence is in accord with school policy.

Excused absences will be for the following reasons:

- a. Personal illness;
 - b. College visit (up to 3 days per school year, only for students in grades 11 and 12);
 - c. Death in the family;
 - d. Observance of the pupil's religion on a day approved for that purpose by the State Board of Education (N.J.A.C. 6A:32-8.3(h))
 - e. The pupil's suspension from school;
 - f. Examination for a driver's license;
 - g. Additional reasons approved by the Principal such as medical appointments, family emergencies, court appearances, etc. It is expected that the pupil will return to classes after the appointment;
 - h. School-sponsored educational activities or external educational activities sanctioned by the Principal.
 - i. Where appropriate, conditions as set forth in the pupil's Individualized Educational Program, accommodation plan, and/or individualized health care plan, pursuant to N.J.A.C. 6A:16-2.3(b)2ix.
 - j. Take your child to work day.
3. Unexcused absence is generally defined as any reason not listed above. The following examples are intended to be illustrative and are not inclusive: babysitting for younger children, shopping, hunting, vacations, working, oversleeping, faulty private transportation, hairdresser appointments, personal prom preparation, etc.
 4. Truancy is defined as any unexcused absence from school or classes/assigned location(s) from school without parent/legal guardian permission, or
 - a. Leaves school without permission when school is in session, or
 - b. Leaves class for any reason and fails to report to the assigned location.

Notice to School of a Pupil's Absence

1. A parent(s) or legal guardian(s) or adult pupil is required to call the school office before 8:00 a.m. of the morning of the pupil's absence, and give reason for said absence.
2. A parent(s) or legal guardian(s) or adult pupil who anticipates a future absence or anticipates that an absence will be prolonged should notify the Guidance office, who will assist in the arrangement of make-up work. If the absence is to be short term (less than two weeks), the pupil's teacher will provide home assignments. If the absence is to be long term (two weeks or more), parents must contact the child's guidance counselor to arrange home instruction.

Notice to Parent(s)/Legal Guardian(s)

If the Principal or his/her designee determines that the child is absent without a valid excuse and if the reason for the child's absence is unknown to school personnel, then the Principal or his/her designee must "immediately" attempt to contact the parent or guardian to notify the parent or guardian of the absence and to determine the reason for the absence.

Rules and Regulations

1. Disciplinary action may be taken for any unexcused absences.
2. Pupils absent from school for any reason are responsible within a reasonable period of time for the completion of the work missed.
3. Pupils who are tardy to school must report to the office to sign in and obtain a pass to class. Pupils who are excessively tardy will be subject to disciplinary action by the school administration.
4. Pupils who are absent from school for the day are not eligible to participate in any after school or evening school-sponsored activity (i.e., dance). Any exceptions must be submitted in writing and cleared through the administration.
5. An early release of a pupil must be requested by the parent(s) or legal guardian(s) (by note or phone) and must be cleared beforehand with the building administrator. The district recognizes the following situations that may occur:
 - a. An illness which manifested itself after the pupil reported to school and verified by the nurse;
 - b. A verified appointment with a physician/dentist;
 - c. A verified driver's test or court appearance.
6. The total number of pupil absences (excused and unexcused) will be scrutinized regularly and notification of pupils and parents will be made on the following basis:

- a. Semester Block
 - i. On the fifth and eighth absence from school and/or class the pupil and parent(s) or legal guardian(s) will be given formal written notification of the problem and the consequence of excessive absences.
 - ii. On the tenth absence from school and/or class the pupil and parent(s) or legal guardian(s) will receive written notification that the pupil will lose credit. The administration will not issue grades to pupils who violate the attendance policy. The parent(s) or legal guardian(s) and pupils will also be informed of the appeal procedure.
7. In addition to notification of parent(s) or legal guardian(s) by an administrative official, teachers will make every effort to inform parents via progress reports and/or phone calls when absences for their particular classes indicate impediment to the pupil's instructional program.
8. All staff members shall maintain accurate attendance records for each pupil assigned to their particular classes. Pupils not in class for any reason are to be marked absent. Teachers must inform building administration of five, ten and fifteen absences from class (not including approved class activities) (five, eight and ten for semester block).
9. Upon return, notes from parents or guardians are acceptable to explain pupil's absences and tardiness. However, this does not exclude the fact that a physician's note or other types of verification may be required at the request of the school administration. Undocumented absences will be marked unexcused, and the appropriate teachers will be notified:

Denial of Course Credit

1. A pupil will be denied course credit when their cumulative absences for the school year are 15 or more, or 10 days or more in a semester, regardless of individual course attendance, whatever the reason for the absence, except that absences for the observance of religious holidays and absences caused by a pupil's suspension will not count toward the total. Pupils and parent(s) or legal guardian(s) will be apprised of their appeal rights to seek reinstatement of academic credit.

Avenues of Appeal for Loss of Academic Credit

1. An Absence Review Committee will be established. The committee should be composed of three professional staff, although the actual composition is the prerogative of the Principal.
2. If a pupil's appeal is denied by the committee, the pupil may appeal the committee's decision to the Principal of the school.

3. The pupil may successfully appeal a negative decision in the following order:
 - a. Committee of Review;
 - b. Principal;
 - c. Superintendent;
 - d. Board of Education.

Excused absences for religious observance and suspensions are not to be included in determining excessive absence counts.

Option II: Expanded Opportunities for Fulfilling Graduation Requirements

Through this policy, the Board of Education establishes alternate pathways for pupils of the Monmouth County Vocational School District to satisfy requirements for high school graduation and meet the New Jersey Student Learning Standards in accord with New Jersey Administrative Code (N.J.A.C. 6A:8-5.1(a) i ii).

The purpose of Option II is to provide educational experiences that are meaningful and relevant, and that provide pupils with opportunities to explore and achieve at high levels. In order to maximize pupil achievement and meet diverse pathways for learning, this policy permits schools to employ alternative learning experiences that are stimulating and intellectually challenging, and that enable pupils to fulfill or exceed the expectations set forth in the State Learning Standards.

DISSECTION

This section serves as notification, in compliance with P.L. 2005, Chapter 266 (C.18A:35-4.24 & C.18A:35-4.25), that public school pupils from kindergarten through grade 12 may refuse to dissect, vivisect, incubate, capture or otherwise harm or destroy animals or any parts thereof as part of a course of instruction. The law requires schools to provide alternative education projects for those students who choose to “opt out” of these activities.

Within two weeks of receipt of this notice, the law requires parents or guardians to notify the school of their desire to have their child exempt from participation and provided with an alternative education project.

HEALTH EDUCATION

The Board of Education will provide a comprehensive health education program aligned with the New Jersey Department of Education Student Learning Standards. This program will be a coordinated sequential curriculum at all grade levels, with instructional units appropriate to the age, growth and development, and maturity of pupils.

FAMILY LIFE EXCUSAL

The curriculum of Monmouth County Vocational School District adheres to the 2020 New Jersey Student Learning Standards for Comprehensive Health and Physical Education, which also includes family life education and sex education. The Student Learning Standards are public and accessible through the New Jersey Department of Education’s Website.

New Jersey law permits parents to opt their children out of instruction in health, family life education or sex education, with no resulting penalty as to credit or graduation:

18A:35-4.7. Parent's statement of conflict with conscience

Any child whose parent or guardian presents to the school principal a signed statement that any part of the instructions in health, family life education or sex education is in conflict with his conscience, or sincerely held moral or religious beliefs shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result therefrom.

In order to opt your child out of these topics, please make a formal request to the course instructor or building principal. Please note that your child will be provided alternative educational materials.

GRADING

It is recognized by the Board of Education that a uniform system of assessing pupil growth and achievement is necessary in providing a thorough and efficient education. The following policy will assist the administration and faculty in achieving this goal:

1. Four marking periods per year.

2. Grades to be reported as follows:

92 to 100	Superior Proficiency
85 to 91	Above Average Proficiency
77 to 84	Proficient
70 to 76	Partial Proficiency
55 to 69	Not Proficient/ No Credit
I	Incomplete
P	Proficient
NP	Not Proficient
GNI	Grade Not Issued
CIP	Course In Progress (Grades Are Issued at the End of Course)

A personal improvement plan (PIP) will be required for any pupil who demonstrates less than proficient performance at any reporting period during the school year. The pupil, parent(s) or guardian(s) and school personnel will work cooperatively to devise and implement this improvement plan. A pupil who does not achieve a final average greater than 76 can still progress to the next level by successfully satisfying his/her PIP.

3. Proficiency may be determined by the following types of pupil assessment:

Daily Assignments/Classwork
Pupil Participation
Homework
Testing: written, practical, oral
Documentation/Notebooks/Portfolios/Journals
Reports/Research Papers
Exhibitions/Presentations
Demonstrations of acquired knowledge

4. Incomplete grades may be issued at the end of the marking period due to legitimate absences or at the discretion of the subject area teacher with the approval of the building administration. All work is to be made up within two weeks into the new marking period, except for unusual circumstances.

5. All MCVSD courses require a final exam for each pupil enrolled. This exam will count as 10% of the final grade. Courses 3.0 credits or greater require a mid-term and a final exam for each pupil enrolled. These exams will each count as 10% of the final grade.

6. Absence due to illness during a Midterm or Final exam requires a doctor's note.
7. Class rank: Pupil class rank will not be shared with colleges/universities or other organizations unless evidence exists that not providing class rank will eliminate the pupil from consideration. A cumulative, unweighted grade point average (GPA) will be computed each academic year by multiplying the grade earned for each course by the number of credits and dividing by the total possible number of credits. Only courses that award high school credit will be counted toward the GPA.

RETURN TO SENDING SCHOOL DISTRICT BY VOCATIONAL SCHOOL DISTRICT

The Monmouth County Vocational School District has been established in accordance with N.J.S.A. 18A:54 – Vocational School Districts. In accordance with the provisions of N.J.S.A. 18A:54-20.1, students who are eligible to attend a school district or regional school district within the county, and others as permitted by law, may apply for admission to this school district. A student meeting the school district's eligibility requirements and admission standards will be accepted for admission to the school district in accordance with the provisions of N.J.S.A. 18A:54-1 et seq.

As schools of choice, the programs offered by Monmouth County Vocational School District (MCVSD) exist to serve the academic and career interests of students in Monmouth County. Students admitted to Monmouth County Vocational Schools (MCVSD) from their resident district must demonstrate a commitment to pursue a certain program of study related to a specific career path through academic performance, adherence to the code of conduct, and consistent attendance to the program of study. In addition, a student's continued enrollment in the school district will require a student to meet such expectations while attending a school or program of this school district.

There will be circumstances when a student does not meet the expectations for students in the school district and, under these circumstances, the school district may return the student to the educational program of the student's resident school district. A student may be returned to their sending district based on a pattern of unacceptable conduct regarding discipline, attendance, or academics or a single disciplinary violation of a significant nature.

Discipline

It is recognized by MCVSD that in order to provide a thorough and efficient education there must be an organized and controlled environment. Due to the

nature of vocational training, the safety of students, staff members and others is of utmost importance.

Attendance

Consistent attendance is critical to a student's success in a CTE program. Too many absences (whether excused or unexcused) impact a student's ability to benefit from the program of study and may cause the student to be returned to their resident school district.

Academics

In order for a student to maintain a pathway to graduation they must accumulate the specified amount of credits within each MCVSD program. If a student fails to maintain the specified credit hours required by the specific program of study in which the student is enrolled may cause the student to be returned to their resident school district.

A decision to return a student to their sending district shall be made by the Superintendent of Schools upon consultation with the school administration and school staff members with knowledge of the student's academic, conduct, and/or attendance records.

Prior to making a final decision to return a student to a sending district the Superintendent will offer the parent(s) and student an opportunity to meet and show why the student should not be returned to the sending district. The Superintendent, upon considering the totality of the circumstances concerning the student, will make a final determination to return the student to the sending district or the Superintendent may offer the student continued enrollment in the school district provided the student complies with the required conditions. The conditions of the student's continued enrollment in the school district shall be developed by the Superintendent and agreed to by the parent(s) and student. Non-compliance with the agreed upon conditions will result in the student being returned to their sending school district.

A determination by the Superintendent of Schools to return the student to the sending school district shall be coordinated with the sending school district to ensure the student's return to the sending district provides minimal disruption to the student's educational program. A student's recommended return will be done in a manner that takes into consideration the welfare of the child. For the most part, dismissals will be timed to coincide with the end of a marking period or end of a school year. However, the administration reserves the right to immediately return a student to his or her resident district.

MAKE-UP WORK/EXTRA HELP

All students are responsible for arranging make-up work with their teachers when absent. If the student is expecting to be absent for an extended period (3 or more days) a parent may call the guidance office and arrangements will be made to obtain assignments from the student's teachers.

It is the responsibility of the student to pick up and return these assignments to the guidance office or teacher.

It is the student's ultimate responsibility to complete make-up work in a reasonable amount of time as determined by the classroom teacher and approved by the building principal. If extra help is needed, the student should make arrangements with the teacher. If help is needed to coordinate a meeting time, feel free to seek assistance from the guidance office.

SUBMITTING COMPLETED WORK

It is the responsibility of the student to submit work on time and in a format acceptable to the classroom teacher. In the event of a planned absence from class, students should submit work prior to the scheduled absence. In most cases, the preferred method of submitting work in the event of an absence is electronic, via district email or other school supported digital format, directly to the classroom teacher or guidance counselor. If electronic submission is not possible, the student should submit completed work directly to the classroom teacher, or to the guidance counselor or school secretary, to be placed in the classroom teacher's mailbox.

ACADEMIC ASSISTANCE

An academic assistance program has been implemented in an effort to improve student performance. Any faculty member can recommend a student for academic support or makeup work. This program may take place during lunch/activity period or after school on designated days. Transportation for after school academic assistance must be arranged by the student/parent. The academic assistance program will focus on raising student expectations, improving student achievement/motivation and increasing the success rate in all subject areas. Students will remain on academic support until performance improves as determined by the subject area teacher.

ACADEMIC INTEGRITY

In keeping with the educational philosophy of the Monmouth County Career Academies, a student's honesty and integrity in all academic work is expected. Copying of another's work, improper conduct during tests and examinations,

any form of plagiarism, inappropriately manipulating research data or any other lack of honesty in doing one's individual academic work will be considered a serious violation of the school's goals and academic program. Students who manifest such behavior will be referred to the principal and subject to discipline. A student caught cheating on tests or examinations, or copying the work of another student will receive no credit for the assignment. Parents will be informed of this violation of school policy.

GUIDELINES FOR ACADEMIC INTEGRITY

As evidenced by our school's mission statement and supporting philosophy, our school community has a commitment to producing literate, moral and productive members of society. We expect our students to exhibit academic integrity.

Our definition of academic dishonesty includes, but is not limited to, the following:

1. Cheating on assignments or assessments.
2. Seeking, acquiring, receiving, or giving information about homework, tests/quizzes, papers and projects that are deemed to be an individual's work
3. Seeking, using, giving, or obtaining unauthorized assistance for any academic assignment or examination
4. Having knowledge of an honor code violation and not reporting it the subject teacher
5. Intimidating a student to prevent that student from reporting the incident
6. Unauthorized collaboration on assignments, quizzes, or exams, including unauthorized dissemination of quiz, test or exam content to other students.
7. Multiple submissions of the student's work without the teachers' express consent, including resubmitting previously completed assignments or handing in work prepared for or in other classes.

8. Misusing resources for teaching and learning, including the unauthorized use of teachers' editions of textbooks, or the use of stolen exams or quizzes.
9. Falsifying information, forgery, bribery, and any other acts intended to deceive others about one's work.
10. Plagiarizing

PLAGIARISM

Plagiarism is the use of another's words or ideas without acknowledgement. It is the equivalent of theft. Some plagiarism is extreme and willful – buying term papers, for instance. Other forms of plagiarism may arise from carelessness or ignorance – misusing quotation marks or citations. Regardless, plagiarism of any kind is not acceptable and will not be tolerated.

COMMON FORMS OF PLAGIARISM

- Quoting without acknowledging the exact words of another person.
- Paraphrasing a text closely (changing only words and syntax) without acknowledgement; summarizing the ideas (a shortened paraphrase) without acknowledgement; confusing paraphrase and quotation.
- Misusing quotation marks, note numbers, and parenthetical citations, and thereby implying that portions of a paper are yours when they are not.
- Buying a paper; having someone else write your paper; using someone else's paper, however altered.

Students who have violated our guidelines for academic integrity, and who have chosen to participate in academically dishonest behavior as described above, will receive a grade of zero for the assignment, quiz or test, have a disciplinary report filed in the student's record, and attend a conference with parents present; repeated violations will be handled on a case by case basis; for all incidences, the National Honor Society will be notified.

It is the student's responsibility to behave in a manner above suspicion. Questions regarding a violation of our Academic Integrity Policy should be directed to the classroom teacher.

STUDENT RECORDS

Student records/folders are maintained on all students in accordance with state law. Those students or parents wishing to review a student's record should make an appointment with the guidance office.

Report Cards – Grades are available via the PowerSchool portal. Report Cards are issued in accordance with building procedure.

Marking Period End Dates

- 1) November 15, 2022
- 2) January 30, 2023

TRANSCRIPTS

Student transcripts are maintained and updated each year for all students. Transcripts show course titles, final grades earned, credits awarded, annual GPA and cumulative GPA. A transcript request can be made through the guidance office.

COLLEGE TESTING

Students in the 11th grade are afforded the opportunity to take the PSAT at district expense during school hours. Arrangements for all other college testing must be made by the student at their own expense. Students applying for college will need to take one or more of the tests given throughout the year.

MCVSD GRADE ASSESSMENT PROCEDURE

All academies assess students in a consistent fashion with the emphasis on their ability to demonstrate proficiency of the New Jersey Content Standards. Any variations in grading policies will be the result of the inherent differences in the subject matter of individual disciplines.

Late work	<p>The Career Academy faculties believe that all work should be handed in on time. Late work has the potential to affect the overall grade in all classes if work is significantly late or not submitted.</p> <p>Minor assessments Credit (teacher-graded)—on time & done well. Zero or partial credit (teacher discretion based on time sensitive nature of assignment)—late but done. Zero—not handed in at all</p> <p>Major assessments Deduction of 10% per calendar day. NOTE: Extenuating circumstances will be considered upon appeal to the building administrator. If work is not submitted, a grade of zero will be assigned. Note: If necessary to demonstrate course proficiency, the student will still be required to submit an acceptable product.</p>
Grade minimums (in grade books)	Grades will be recorded in the grade book as earned.
Retesting	Retesting <u>to change the grade</u> will not be allowed. Note: Extenuating circumstances will be considered upon appeal to the building administrator.
Class Participation	<p>Routine class participation may count 0-10% of a marking period grade. Applicability and assessment methods will be determined within individual disciplines and will be included in grading policy, as needed.</p> <p>NOTE: The assessment method for class participation (preferably a rubric format) needs to ensure that proficiency is assessed.</p> <p>Excused absences cannot adversely affect a student's class participation grade.</p>
Homework	<p>Homework for the purpose of preparation, practice, and/or review may count up to 10%.</p> <p>Note: Out of class work for the purpose of demonstrating proficiency will be categorized and given weights within disciplines and will be included in grading policy, as needed.</p>

Extra credit	Across the district, extra credit must be content related and should not significantly affect (0-2%) the overall grade.

FERPA AND DIRECTORY NOTIFICATION OF RIGHTS

The Board of Education policies and regulations will be in compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA). FERPA affords parents and adult pupils certain rights with respect to the pupil's education records. FERPA requires the district to provide parents and adult pupils the right to inspect and review the pupil's education records within forty-five days of the day the school district receives a request for access. Parents or eligible students should submit to the Superintendent or his/her designee, a written request that identifies the records they wish to inspect. The superintendent or his/her designee will make arrangements for access and

notify the parent or eligible student of the time and place where the records may be inspected.

To request an amendment(s) of the pupil's education records the parent or adult pupil believes are inaccurate. Parents or eligible students should write the superintendent or his/or designee and clearly identify the part of the record they want changed, and specify why it should be changed. If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment.

The Federal Family Educational Rights and Privacy Act (FERPA) requires public schools to obtain written consent from parents/guardians before disclosing personally identifiable information from pupil records. Schools may disclose without consent certain "directory information" unless the parent/guardian has advised the school to the contrary. The primary purpose of directory information is to allow the school to include such information in certain publications such as yearbooks, graduation programs, event programs, etc. Directory information that is generally not considered harmful or an invasion of privacy can be disclosed to outside organizations without prior written consent. These would include companies such as yearbook publishers and class ring manufacturers. As well, federal law (e.g. NCLB) requires schools to release directory information to military recruiters unless a parent specifically instructs the school to not release this information. The Monmouth County Vocational School District will provide to recruiters only your child's name, address, and phone number. If you do not want this information released, parents should complete the appropriate form, available from the school office, and return it to the building principal.

The parent or adult pupil has the right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education

A “bias crime” means any criminal offense where the person or persons committing the offense acted with a purpose to intimidate an individual or group of individuals because of race; color; religion; gender; disability; sexual orientation; gender identity or expression; national origin; or ethnicity.

A “bias-related act” means an act directed at a person, group of persons, private property, or public property that is motivated in whole or in part by racial; gender; disability; religion; sexual orientation; gender identity or expression; national origin; or ethnic prejudice. A bias-related act need not involve conduct that constitutes a criminal offense.

All bias crimes are also bias-related acts, but not all bias-related acts will constitute a bias crime. Additional information regarding Bias Crime and/or Bias-Related Acts can be found in Policy 8465.

ANTI-HAZING

“Hazing” in a school setting includes, but is not limited to, conduct by an individual(s) who is a member and/or representative of a school-sponsored student organization, club, or athletic team where such individual(s) conditions a student’s acceptance as a member into such group on whether the student engages in activities that are humiliating, demeaning, intimidating, and exhausting to the student.

Board of Education members, school employees, and contracted service providers are required to report an alleged incident of hazing that may take place or has taken place on or off school grounds to the Principal or designee on the same day when the individual witnessed or received reliable

information regarding such an incident. Students, parents, volunteers, or visitors are encouraged to report an alleged incident of hazing that may take place or has taken place on or off school grounds to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident.

PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. 2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;

 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
 - b. Has the effect of insulting or demeaning any student or group of students; or
 - c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

The Board of Education expects pupils to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with a proper regard for the rights and welfare of other pupils and school staff, the

educational purpose underlying all school activities, and the care of school facilities and equipment.

All school employees are required to report alleged violations of this policy to the principal or the principal's designee. All Board members, school employees, volunteers and contracted service providers who have contact with students also shall report alleged violations of this policy.

Consequences and appropriate remedial action for pupils who commit acts of harassment, intimidation or bullying may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for a pupil found to have falsely accused another as a means of harassment, intimidation or bullying range from positive behavioral interventions up to and including suspension or expulsion.

SEXUAL HARASSMENT

It is the policy of the Monmouth County Vocational School District to maintain a learning and working environment that is free from sexual harassment. It shall be a violation of this policy for any member of the district's staff to harass another staff member or pupil through conduct or communications of a sexual nature. It shall also be a violation of this policy for pupils to harass other pupils through conduct or communications of a sexual nature.

Sexual harassment shall be defined as unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when made by any member of the school staff to a pupil, when made by any member of the school staff to another staff member or when made by any pupil to another pupil when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education, or when
2. Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual, or when
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile or offensive employment or education environment.

Sexual harassment may include, but is not limited to, the following:

2. Pressure for sexual activity.
3. Repeated remarks to a person with sexual or demeaning implications.

Any person who alleges sexual harassment by any staff member or pupil in the school district may use the procedure detailed in the appropriate Grievance Procedure Policies (MCVSD Board Policy #5145.6A) or may complain directly to his or her immediate supervisor, building principal, affirmative action officer or superintendent. Filing of a grievance or otherwise reporting sexual harassment will not reflect upon the individual's status nor will it affect future employment, grades or work assignments.

Any staff member or pupil who engages in sexual harassment activities shall be subject to disciplinary action.

Smoking by pupils in or on school properties, or under the school's jurisdiction during school hours, or while participating in a school-sponsored event is prohibited.
