

RFP 24-01 Food Service
Addendum #1
April 6, 2023

Item of Note:

Currently our Culinary Education Center prepares meals for AAHS and HTHS out of our Tinton Falls campus located at 537 Tinton Ave, Tinton Falls, NJ 07724 which has a full working kitchen. Meals are then delivered to those two locations. This location can be used to prepare food for any of our locations with the exception of MAST if need be.

If you would like a tour of that kitchen please contact Megan Labas, Principal by phone at 732-542-5455 and email mlabas@ctemc.org (as previously required in the RFP).
