General Information

Career and Continuing Education

Career and Continuing Education Courses are designed for adults who want to learn a trade or supplement the skills and technical knowledge they use in their present jobs. Serious hobbyists are welcome, too. Students in the Career and Continuing Education Program learn by doing. Classes are held in the Monmouth County Vocational School District's fully equipped shops and classrooms using modern tools, equipment and techniques. Shop work is supplemented by the instruction in theory and principles of the trade. Instructors are teachers in the Monmouth County Vocational School District Day Program and other highly skilled, experienced trades people. No course credits are given in the Career and Continuing Education Program; however, each student with proper attendance is given a certificate, which indicates the number of hours attended.

Mission Statement

The Monmouth County Vocational School District's Post-Secondary Institution's mission is to foster the educational experience of the adult learner and prepare them for the competitive demands of the workplace.

Admission Requirements

Adult vocational education classes are open to all persons 16 years of age or older (unless otherwise noted) who have graduated or left an elementary or secondary school system. Additional course requirements are listed as prerequisites. Non-Discrimination Clause: The Monmouth County Vocational School District does not discriminate on the basis of race, creed, color, national origin, ancestry, age, marital status, affection or sexual orientation, gender identity or expression, religion, disability, or socioeconomic status. Further information regarding this policy can be obtained from the 504 Compliance/Affirmative Action Officer, Mr. Sean Meehan 732-431-7942 Press 4.

Earn Your High School Diploma NOW is the TIME!

Getting your High School Equivalency Diploma (GED) will greatly improve your ability to further your education and career. Students must be 16 years or older and not enrolled in high school to be considered for enrollment. Students must be able to commit/dedicate at least 6 hours per week to attend classes. Students will be required to pay for the cost of the four exams that incorporate the GED test, which will be given at Brookdale Community College in Lincroft. Once you pass the NJ State HSE exam, the actual diploma is issued by the New Jersey State Department of Education and states that you have met all requirements to be a high school graduate. ***The diploma is recognized by many employers and colleges as being equivalent to a high school diploma. Let our expert instructors tutor you to PASS the EXAM for FREE!***

Mandatory Entrance Test:

January 9, 2024 1:00 pm or 5:00 pm
January 12, 2024 10:00 am or 2:00 pm
Neptune Annex

Register for Mandatory Entrance Test online or by calling 732.431.7245 Press 0

The GED class will prepare you to pass the four sections of the test: Science, Language Arts, Social Studies, and Math.

Free ESL Classes

English as a Second Language Certified Nurse Aide Class (Free)

This program is designed for those whose native language is not English, who understand a moderate amount of English, and who wish to enter the field of nursing. Students will be given the tools to improve their speaking, reading, and writing skills while they attend the Certified Nurse Aide in a Long Term Care Facility (CNA) course. Students will develop the skills necessary to care competently for the predominately geriatric client. Upon successful completion of the 90-hour course (50 hours classroom and 40 hours clinical), students will be eligible to take the New Jersey State Nurse Aide in Long Term Care Facility Exam. Students can be absent no more than two classes. Additional hours may be required for those students who need extra help. **According to the New Jersey Department of Health, CNA candidates do not need a high school diploma to become licensed, however, a prerequisite for certification is passing criminal background check and other documentation as noted on the NJ Department of Health website.**

Admission requirements: complete physical examination including flu/Covid-19 vaccine, background check, purchase uniform and attend orientation. Cost of certification exam is not included. Students are responsible for their own PPE.

This class will be offered in two semesters and take place at the Neptune Annex Campus. Fall Semester will be a mandatory 40 hours of ESL Instruction. Students must register for the entrance test online or by calling 732.431.7245 Press 0

Mandatory Entrance Test:

January 5, 2024 10:00 am or 2:00 pm
January 8, 2024 1:00 pm or 5:00 pm
Neptune Annex

Tuesdays & Thursdays (90 hour course)

Apprenticeship

Welding Apprenticeship

The Welding Apprenticeship program is designed to provide classroom instruction with practical hands-on course is designed to provide a foundation for the welding processes. This is an entry-level welding program designed to help students obtain a career in the welding industry. The course emphasizes the following: Safety in welding, basic electricity in welding and proper use of tools in the welding shop. The students will be welding in booths completing multiple weld coupons in various configurations. Students will be introduced to multiple cutting processes and learn to prep root and face bend specimens for destructive testing (DT). At the end of the program students will have the opportunity to complete a welder qualification weld coupon in order to earn their industry credential. **Upon successful completion of the course, students will be eligible to earn the American Welding Society (AWS) D1.1 BU2A joint designation 3/8 flat groove plate test.** All materials and supplies are included in tuition except for safety helmets/gloves. **No extra fee for AWS credential!**

Tuesdays & Thursdays (75 Hours)

4:00 pm-8:00 pm Aberdeen

January 30, 2024-March 28, 2024..... \$1,975

Welding Apprenticeship Alternative

The Apprenticeship Framework from Tooling-U SME provides the industry-endorsed related training instruction (RTI) hours needed to meet the requirements of a competency-based or hybrid apprenticeship program. The Apprenticeship Framework is designed to provide a minimum of 122 RTI hours per framework: apprentices need a total of 488 RTI hours in addition to the welding classes at MCVSD and 8,000 hours of on the job training for a registered employer.

Online frameworks are divided into five sections that support any 21st-century apprenticeship, and provide and encourage new approaches to building a skilled and competitive workforce. The Apprenticeship Framework quickly provides an RTI resource for any apprenticeship. Online classes provide students with self-paced, easy access to RTI that is available 24x7.

An app is available for phones and tablets.

Introduction to Water and Wastewater Operation Apprenticeship

The first half of this course covers the mathematics and science needed. For water/wastewater operation. Topics include mathematical operations, algebra, geometry, and physics as applied to hydraulics, electricity, chemistry, and microbiology. The second half addresses water distribution and treatment. Satisfactory completion of IWW101 (180 hours), one year of on-the-job experience and a high school diploma are the NJ state requirements for the S-1, C-1, and T-1 level Water and Wastewater Operation Licensing. Per NJ Department of Environmental Protection (NJDEP) regulations, those seeking a Level 1 "S" (wastewater treatment) or "C" (wastewater collection system) license must successfully complete an approved "Introduction to Wastewater" course.

This course is designed to familiarize attendees with the skills required for employment as a wastewater treatment or collection system operator and to introduce them to the various equipment and processes routinely used in these facilities such as pumps, valves, tanks, activated sludge, compressors, blowers, chemical feed systems, etc. Instructors will discuss the physical, mechanical, chemical, and biological processes involved in collecting and treating municipal wastewater. The course will reinforce required math skills and discuss basic chemistry, physics, microbiology, and hydraulics. Reading assignments for each class date will be taken from the NJDEP required textbooks published by the California State University at Sacramento. Additional handouts, data sheets, PowerPoint presentations and work sheets will be distributed throughout the term of the class; note taking is strongly encouraged. Regularly scheduled tests and quizzes are included in the agenda.

Mondays, Wednesdays 5:00 pm - 9:00 pm

Practical Nursing Program (LPN)

Starting in 1958, the MCVSD Practical Nursing Program has graduated over 4,100 students. **For the past five years in a row the Nursing Licensure Examination (NCLEX) pass rate has remained at 100%.** This course offers academic studies and clinical experience to prepare students to meet the state requirements for licensure as a practical nurse in New Jersey. It is approved by the New Jersey State Board of Nursing and the New Jersey Department of Education and accredited by Middle States. Graduates are eligible to take the NCLEX in New Jersey. Each class is assigned to an affiliating hospital/nursing home for clinical experience.

Tuition is \$12,500 payable in six payments. Financial aid and grants are available for qualifying applicants. Approved by the Department of Education for veterans benefits and the Monmouth County Division of Employment & Training. Refunds will be honored based on board policy. **For more information go to www.mcvsd.org and click "Practical Nursing."**

Applicants must be 18 years of age upon entering the program, must have a high school diploma or the equivalent, and pass a qualifying test. After passing the qualifying test the applicant must pay a \$100 non-refundable registration fee. The ATI TEAS entrance test can be taken remotely by contacting the Brookdale Community College Testing Center. Not included in fees: a complete physical examination*, a criminal background check, textbooks, CPR certification, and other COVID-19 clinical site requirements. **Clinical sites require students to have up-to-date vaccinations including the Flu and current COVID-19 vaccinations.**

Class meets Mondays through Fridays from 7:30 am-2:30 pm at Neptune Annex and clinical locations vary.

Next class begins April, 2025

LPN Refresher

The Licensed Practical Nurse Refresher curriculum provides a refresher course for individuals previously licensed as Practical Nurses and who are ineligible for reentry into nursing practice due to a lapse in licensure for five or more years. This course is also for those who have a current LPN license, but would like a refresher of current best practices in the medical field. Course work includes common medical-surgical conditions and nursing approaches to their management, including bedside patient care infection control practices, and medication administration. This course will provide 30 hours of hands-on clinical rotations at an area nursing home as well as 30 hours of classroom/theory review.

Prerequisites: *Do not complete any of these until instructed by MCVSD

- Copy of LPN active or inactive license with approval from the NJ Board of Nursing Director 973-504-6430 or <https://www.njconsumeraffairs.gov/nur/Applications/RN-and-LPN-Reinstatement-Packet.pdf>
- Complete the Reinstatement LPN Packet.
- Completion of the MCVSD physical, background check, student insurance and current CPR/BLS certification.
- Copy of COVID-19 and Flu shot vaccination status.
- Students must purchase and bring to first class

Fundamentals of Nursing Textbook 4th Edition, FA Davis

This class will be taught by **Mrs. Sandra Pritchard, RN, BSN, MPA, LPN** Instructor and practicing nurse for over 25 years. ***Class is limited to 10 students.***

Tuition :\$600

Mondays (60 hours)

February 5, 2024-June 3, 2024

Health Science

Dental Assistant (Clinical)

The primary goal of this course is to provide students with the basic skills and knowledge needed to become a Dental Assistant. By enrolling in this program, you will learn dental anatomy, dental charting, instruments, operatory setup and breakdown, infection control, and general chairside assisting. Textbook information will be provided to students upon registration.

Thursdays (10 sessions)

6:00 pm-8:00 pm Hazlet

January 23, 2024-March 26, 2024.....\$295

Dental Assistant Expanded Functions: RDA

The focus of this course is preparation for the Dental Assisting National Board's exam on expanded functions. Subjects to be covered are impressions, temporary crowns, cementation and removal, matrix placement, rubber dams, gingival retraction cords, and pit and fissure sealants. This course will include both didactic and laboratory sessions to achieve basic competency for commonly practiced expanded functions in a clinical setting.

Wednesdays

6:00 pm-8:00 pm Hazlet (10 sessions)

January 24, 2024-March 27, 2024.....\$295

Certified Home Health Aide (CHHA)

Become a Certified Home Health Aide providing personal (hands-on) care to patients in their homes. Personal care consists of bathing, showering, exercises, transfers, etc. in our skills simulation lab. Upon successful completion of the 76-Hour course (60 hours class- room and 16 hours clinical), you will be eligible to take the New Jersey Home-Maker Home Health Aide Competency Exam. Students will be required to purchase a textbook and uniform. Students must complete criminal background check upon applying for certification.

General

PART TIME ADULT EDUCATION COURSES

You may request a full tuition refund (5) five days prior to the first scheduled class meeting, in accordance with Board of Education Policy [2454]. A copy of the Board Policy is posted on the MCVSD website under Documents and Downloads.

There will be a \$25 processing fee for refunds requested within (4) four days of the first class. No refunds will be granted after the second night of class. Students must notify the Adult Education Office at 732.431.7245 to initiate the refund process. Check refunds will take 6-8 weeks to process. Cancelled classes due to inclement weather will be rescheduled. Application Fee and Registration Fee for adult certificate programs are nonrefundable regardless of cause for separation. Courses that total 101 hours and up in contact time, i.e. apprenticeship, the following refund procedure applies: Students who withdraw after the first week, but prior to meeting 25% of the course hour requirements, will be refunded (1/2) half of their paid tuition, less their non-refundable deposit and a \$25 fee for processing. Students who withdraw after the 25% course hour requirement will forfeit their tuition. Processing fees will not be refunded.

COURSE CANCELLATION

Courses may be cancelled by MCVSD, if the number of students registered is too low to offset the cost of running the course. Students may request to receive credit for a future course or receive a full refund.

NOTE: Unless notified to the contrary, your registration has been accepted and you should report to class on the first scheduled day at the time listed. You will NOT be contacted unless your course is filled or canceled.

FEE: All courses are tuition courses except for Adult Basic Skills and ESL. Each course (unless otherwise noted) has the required fee listed with the course description in the catalog. All fees must be paid when you register, whether in person or by mail. Make checks payable to: MCVSD (Monmouth County Vocational School District). There is a \$25 charge for returned checks.

GRIEVANCE PROCEDURE: Students are encouraged to consult with the Director of Adult Education on any matters of concern. Dr. Schaed can be reached at 732-431-7245.

BOOKS, SUPPLIES & PERSONAL SAFETY EQUIPMENT:

The purchase of textbooks may be required for certain classes and is the responsibility of the student. Students are responsible for costs of parts, materials and supplies used for personal projects (examples: auto body paint, lumber, and motor oil). Protective safety equipment (safety glasses, goggles, and shoes) must be provided by the student and must be used during shop activities to ensure the health and safety of the student. No one will be allowed to participate in hands-on instruction without the required safety items.

SCHOOL CLOSING: Inclement weather or emergency closings will be announced on our website: www.mcvsd.org

Qualified students may be eligible for Veteran's Benefits. Please call 732-431-7245 Ext. 2648 for more information.

BROOKDALE

CONTINUING AND PROFESSIONAL STUDIES

The Career and Technical Education Educator Preparation Program (CTE CE EPP)

*Are you looking for a career change?
Earned a degree, but don't know how
to apply it? Looking to explore your
options outside of your current
industry?*

**Your degree and/or relevant work
experience may qualify you for a
career as a K-12 educator!**

New Jersey's Career Technical Education Certificate of Eligibility Educator Preparation Program (CTE CE EPP) provides an opportunity for individuals with diverse educational, training, and employment backgrounds to become teachers of K-12 Career and Technical Education (CTE) subject areas.

Brookdale Community College is New Jersey's sole provider of the 400-hour CTE CE EPP. The program is delivered in a hybrid format: most of the work is completed online with the exception of face-to-face meetings designed as Cohort Saturdays.

For more information or to apply, visit
www.brookdalecc.edu/cte and complete an
information request form, or email
cte@brookdalecc.edu
